## Building Skills and Community Connections

### About Us

---

EDI is a non-profit that operates as an opportunity center where individuals with disabilities receive habilitation services, perform jobs, learn job skills, and connect with their community.

### Vocational Service

---

EDI provides meaningful employment and work training to individuals with developmental disabilities in Columbiana County. Our Vocational Habilitation program teaches and reinforces habilitation concepts related to work. Individuals will be able to learn about their community and the opportunities it offers.

### Adult Day Service

---

EDI provides educationally and socially based services. Individuals who choose to be a part of the Adult Day program can work on social, leisure, and recreational activities, as well as participate in fun community outings.

## Other Services

---

EDI is certified by the Ohio Department of Transportation to provide non-medical transportation services. Our driver can transport individuals to EDI day programs and community jobs.

Our facilities offer a full-time Licensed Practical Nurse during programming hours. EDI prides itself as a company that is willing to go about and beyond to meet the health needs of any individual.

## Beaver Creek Candles

---

Our candle company focuses on the desire of our individuals to shine as hard workers who are proud of the products they make. Every candle purchased fully supports and inspires each individual who crafted our candle. Each candle is carefully prepared, packaged, and shipped by our individuals.
